

MAIN GATE ACCESS

At the entrance area of the Study Centre, sevadars and law enforcement officers will be directing traffic. It is important that all approaching traffic must follow their directions.

DROP-OFF, PICK-UP, PARKING, AND EXIT

For those who are only dropping off or picking up sangat and not attending the Satsang Program, such as Uber/taxi drivers, there will be a quick entry/exit access route at the Study Centre. The exact location (address/pin) for the Uber/taxi meeting point will be provided closer to the event date.

PLEASE NOTE: THERE IS NO WALKING AND NO STOPPING TO DROP OFF OR PICK UP ON THE ROADS OUTSIDE OF THE STUDY CENTRE.

Please be patient when exiting the site and follow the sevadars’ instructions. It may take up to 4 hours for all the cars to exit the Study Centre due to the high volume of cars exiting the site. For sangat travelling by air, it is suggested that you book your departing flight for at least 12 hours after the end of the Satsang Program to give yourself time to reach the airport in the event there are delays exiting the Study Centre.

SPECIAL NEEDS

Shuttle vehicles will be available to pick up elderly sangat or those with special needs from designated pick up points in the parking areas and bring them to the check-in tents where sevadars with wheelchairs will be available to help sangat. Please note that aside from this temporary wheelchair assistance to help sangat enter the building, wheelchairs will not be provided for general use. **Please bring what you need.** Note that the sangat might have to walk from the check-in points to the Satsang Venue. Also, due to the limited availability of shuttles, the sangat might have to wait to be boarded. You may refer to the Special Needs web page on [www.torontoprogram.org](http://www.torontoprogram.org) for additional information.

A list of buses arranged by the Centre is provided below. Shuttle buses from certain hotels and long-distance charter buses have also been arranged. Please contact your local secretary for additional details.

## SATSANG PROGRAM

There will be a question and answer session beginning at 10:00 am.

## ARRIVAL TIME

Please do not arrive at the site prior to 5:30 am. Arriving before this time and parking outside the site causes disturbance to the local community and is a traffic safety hazard to other road users. Unauthorized parking outside the site may result in violations or fines. It is requested that you arrive close to the opening time. Those who arrive early will not be admitted into the Satsang Venue until the posted opening time.

## ATTENDING SATSANG WITH CHILDREN

All children in the Family Area must be accompanied by a parent/guardian who is at least 18 years old. Children under 10 years of age must go to the Family Area accompanied by a parent/guardian. Children aged 10-15 may attend Satsang or remain in the Family Area, but in both cases must be accompanied by a parent/guardian. Children aged 16-17 must attend Satsang. Please check the Family Area section on the website for additional information.

## SEATING

The sangat must be seated by 9:15 am. Those who would like to be seated together should arrive together. Reserving or holding seats for others will NOT be permitted. For the safety and comfort of all, please co-operate with the sevadars.

## SIMULTANEOUS TRANSLATIONS

There will be simultaneous translation from Punjabi to English, and English/Punjabi to French. Designated seating areas in the Satsang Venue with headphones have been arranged for this purpose. Please note that there is limited seating in these areas so seating will be available on a first-come first-served basis.

## RESTRICTED ITEMS

Mobile phones, smart watches, pagers, cameras, binoculars, laser pointers, MP3 players including iPods, fitbits, audio video recorders, earphones, electronic games or any other electronic items MUST NOT be brought into the Satsang Venue. Any such items brought to the Study Centre must be deposited with sevadars. Photography and audio/video recording using any electronic device including a mobile phone is not permitted anywhere at the Study Centre. If these activities are observed, sevadars will ask you for the device in order to check if any photos or videos have been made, and if so then such content will be deleted. You will then be requested to deposit your phone until Satsang is over. Large bags and purses, and food and drinks (other than water), will NOT be permitted inside the Satsang Venue. You may bring small snacks in case of medical need. All bags will be inspected and sangat will go through a security check upon entry.

## NOTE TAKING

It is the Master’s wish that we take full advantage of his presence and not spend time and attention taking notes. You are kindly asked to refrain from taking notes during the question and answer session. The taking of notes and passing of such notes to others by any means is strongly discouraged.

---

## QUESTION AND ANSWER SESSION

At the question and answer session, those who wish to ask the Master a question will be selected through a random process. The selection area will open at 7:30 am and close at 8:30 am, after which the random selection will take place. If you wish to ask a question, please take your seat and then come to the question and answer selection area. If you are not selected, you must return to your seat. Once the selection is complete, no one may join the question and answer line.

**Question and Answer Guidelines:** The Dera has asked that the following information be provided with regards to the questions:

- Questioners must be 18 years of age or older.
- Questions should be short and precise.
- Only **one** question should be asked.
- Questions should be spiritual in nature and not about personal, financial, health, family, or political problems.
- Questions should not be asked on behalf of others.
- Long notes, poems or letters should not be read, nor should there be any singing of shabads or songs.
- Do not interrupt the Master while he is answering your question; let him finish speaking before responding.

**There should be no clapping during the questions and answers or at any other time during the program. Please respect the privacy of those asking questions and do not turn to look at the person asking a question.**

## COMMUNITY RELATIONS

To maintain a good relationship with the community and the local government, the sangat is requested to be kind and courteous to each other, the sevadars, the local authorities and the neighboring community.

## PACKED LUNCH & MORNING TEA

A packed meal consisting of a wrap, granola bar, cookies, and juice will also be available after the Satsang Program. The sangat is requested not to bring or eat food inside the Satsang Venue. However, the sangat can bring their own lacto-vegetarian food to have a picnic with family/friends after Satsang. Tea and cookies will be available in the morning from 6am to 8am. Only cash or pre-purchased coupons will be accepted.

## WEATHER

The weather in East Garafraxa is often windy and cooler than the surrounding cities. Wearing layers is recommended. The Satsang Venue is without heating facilities, so please dress appropriately for the weather. It is advisable that the sangat prepare for the possibility of exposure to either rain or direct sun while on site. Note that there may be outdoor seating or seating in tents.

## SHOES AND CLOTHING

Due to uneven ground and long distances from parking areas, flat walking shoes are advised. As a courtesy to others, clothing should be modest and appropriate for the occasion.

## PERFUMES, SCENTS, SMOKING AND PETS

Please be considerate of others with health issues (allergies, asthma, etc.) and avoid wearing any perfumes or other scents. No smoking in any form including e-cigarettes and e-pipes is allowed at the Study Centre. Pets other than certified service animals are not allowed anywhere at the Study Centre.
